The best book deals If you're looking for bigger deals and steals, check out our list of sites with the best deals on free and inexpensive books, audiobooks and printed books. What is yours romantic romance? Share it with us in the comments below! If you liked this post, then you might as well as blog writer for TCK Publishing, Kaelyn loves designing fun and useful content for writers, readers and creative minds alike. She has a degree in international relations with a minor in Italian studies, but her true passion has always written. Working from home allows her to do even more things she loves, like traveling, cooking, and spending time with her family. Free Stuff, More Free Stuff Prev Article Next article You can download 18 Harlequin Novels for free right now. Harlequin announced last week that it would make its book titles available as e-books. So they give readers the opportunity to check out 18 of their book titles for free. Just click on the image of the book you want to download. You can then skip a small survey (scroll down) and continue downloading the book in pdf or epub format. I believe you can read these formats on The Corner or Kobo (Sony reader, ah?) only. Don't forget that you can download the Nook app for PC, Mac, Android, Iphone and iPad FOR FREE. Update: If you click on the link above and follow the download process on the device you want to use to read (ipad, iphone or more), then it will upload the file to the device and then it will ask you what you want to use to read it. I just did it on my iphone and it actually gave me a choice of opening it using the Adobe Reader Kindle app or app. I chose Kindle and he opened the book. Prev Articles Next article Whether you need to escape from your hectic day, or have an unexpected time for yourself, you can count on Harlequin for romance when you need it, wherever you are - just like in this hilarious video! Are you ready for
